2018 CANTON LEISURE SERVICES
ANNUAL REPORT

Four-time CAPRA Accredited Agency since 2004

2008 Gold Medal Award Recipient, Class III, Population 50,000 to 100,000
I am pleased to present the 2018 Annual Report for Canton Leisure Services, which captures an overview of our department’s accomplishments during the past year.

2018 was a banner year for Leisure Services as we celebrated some exciting milestones in the community. We were honored to be recognized for excellence in the field of parks and recreation management by receiving re-accreditation for the fourth consecutive time since 2004. Leisure Services remains one of only 175 agencies in the country currently holding national accreditation from the Commission for Accreditation of Park and Recreation Agencies (CAPRA). In June, we held our 28th Annual Liberty Festival, with over 60,000 festival-goers in attendance, who enjoyed a number of festival favorites, including: 5th Annual Liberty Run, Carnival Zone, Taste of Liberty Fest, the return of the Liberty Fest Car Show, and fireworks, which capped off the festivities.

Renovations were completed to the Parkview Room in Canton Club 55+ at the Summit on the Park. This past year, a major emphasis was placed on offering inclusive resources and services for all ages and abilities in our “You Belong Here” campaign.

Canton Leisure Services continues to work hard to ensure that every member of our community has access to the many great benefits that parks and recreation has to offer. Utilizing funding from the Wayne County Parks millage, the Canton Sports Center was able to overhaul the last four fields of its 12 diamonds this year to complete a full-field makeover. Improvements included the installation of new infield surfaces and sod.

Canton Leisure Services secured approximately $348,000 in grants and donations for programming and scholarships, as well as $114,316 from Wayne County to fund Canton Sports Center renovations.

All Leisure Services staff is fully committed to the on-going success of our department and remain dedicated to meeting the needs of our community.

Throughout the past year, Leisure Services continued to focus on the priorities and objectives identified in the current Canton Leisure Services Strategic Plan:

- Be a ‘Best-in-Class’ Agency
- Improve Financial Sustainability
- Meet the Diverse Expectations of the Community
- Pursue Technological Advances
- Enhance Marketing and Communications

As we focus on the New Year ahead in the leisure industry, I extend my sincere thanks to the Canton Township Board of Trustees, the Leisure Services Advisory Committee, and all of our generous sponsors and partners for their continued support.

Sincerely,

Greg Hohenberger, CPRP
Director of Canton Leisure Services

LEISURE SERVICES VISION:
Canton Leisure Services will continue to strive for excellence in providing nationally-recognized services, distinct spaces, recreation, and wellness opportunities that reflect and connect our unique community.

MISSION:
Our mission is to provide responsive efficient service to the Canton Community. In delivering this, we will be:

- Proactive in our approach
- Creative in our thinking
- Innovative in our solutions
- Fair and honest
- Committed to a quality work environment

Thus, fostering pride, partnership and a high quality of life for our community.

- Produced OVER 200 individual videos
- Developed several NEW online training videos
- Replaced key video equipment in the Canton Board of Trustees Room
Canton Leisure Services continues to be held in high regard by both residents and visitors for its commitment to excellence in service. The organization has been recognized as an accredited agency by CAPRA three additional times since its initial accreditation in 2004. The department has also received the prestigious Gold Medal Award for excellence in the field of parks and recreation management in 2008. Leisure Services takes great pride in its ability to be forward thinking and its resident-focused approach to determining service priorities. The 2017 Strategic Plan identifies five Strategic Priorities to guide the department in establishing goals and initiatives that are reviewed quarterly by the Leisure Services leadership staff in an effort to identify projects for development, facility operations, programs, and services.

1ST ANNUAL DO GOOD EXPO
More than 300 community members and 25 community groups participated in the first annual Do Good Expo at the Summit on the Park, which was hosted to help Canton recognize the National Day of Remembrance and Service on September 11th. The new event enabled individuals to learn about and connect with local non-profit organizations, helping them identify new ways to volunteer and serve others in the community.

CLS STAFF CONTINUE TRADITION OF EXCELLENCE
Canton Leisure Services staff continue to serve as leaders and innovators among Parks and Recreation Departments across the State. In 2018, CLS boasted 7 full-time employees that hold Certified Park and Recreation Professional (CPRP or CPRE) status through the National Recreation and Park Association. Additionally, 3 staff members began or continued serving on the Board of Directors for mParks, the State’s Association for Parks and Recreation Professionals; Jon LaFever as President, Jennifer Provenzano as President-Elect, and Laura Mortier as Director-At-Large. Several other full-time staff serve as key committee Chairs within the organization as well.

‘YOU BELONG HERE’ INCLUSIVE INITIATIVE
Staff continued to roll out the You Belong Here Initiative in 2018, in an effort to better welcome and serve Canton’s increasingly diverse community demographics. Staff visited various religious houses of worship to learn more about Canton’s residents and cultures, volunteered together at a local food pantry, met with key community resource organizations, drafted both a formal statement of inclusion, and a gender inclusion facility-use policy. In addition staff updated scholarship requirements to help better address socioeconomic participant barriers and challenges. The Department remains committed to continuing this important access and inclusion work in 2019.

CANTON SPORTS CENTER FIELD IMPROVEMENTS
Utilizing funding from the Wayne County Parks millage, the Canton Sports Center was able to overhaul the last four fields of its 12 diamonds in 2018 to complete a full-field makeover. Improvements included the installation of new sod and infield surfaces. These newly renovated fields will continue to be extensively used by over 2,500 leagues and tournament team players, who make the Canton Sports Center a popular softball and baseball destination in the Metro Detroit area.

28TH ANNUAL LIBERTY FESTIVAL
Canton Celebrated its 28th year of the Community’s signature event, the Annual Liberty Festival with record attendance, many annual traditions, and special inaugural activities. This year’s event far-exceeded all attendance and revenue benchmarks from previous years, welcoming record-setting crowds as it officially kicked off summer for the Canton community.

CANTON FARMERS MARKET
The Canton Farmers Market strives to continue to find new ways to connect area residents with fresh, locally-sourced food options. This season, the Farmers Market launched its Kids’ Produce Club, introducing 70 kids to a new, free vegetable each week. In addition, over 1,200 pounds of produced was grown and harvested by the Canton Volunteer Master Gardeners and was donated to area food banks.

NANKIN TRANSIT COMMISSION SERVICES
Canton Mobility Transportation Service expanded its transportation program this year by partnering with Nankin Transit Commission Services to now offer transportation not only to Canton, but also to Wayne, Westland, Garden City, and Inkster. This transportation service remains available for Canton Township residents age 55 and older or residents who have a temporary/permanent disability or qualify for Social Security Disability.

RECIPIENT OF SEVERAL MPARKS STATE AWARDS
Canton Leisure Services received special statewide recognition at the 2019 mParks annual conference and trade show with the following awards:

- Innovative Recreation Programming Awards for Pumpkin Patch in the Pool
- Marketing Award for Best Graphic Design for the 2018 Canton Leisure Services Farmers Market Brochure
- The New Professional Award was presented to Recreation Specialist Laura Mortier
Pursue Technological Advances

Energy Savings
Canton continues to be a leader in municipalities entering into Energy Savings projects to reduce utility usage in its buildings. This year’s projects included replacement of over 730 existing lights with energy-efficient LED lights at the Summit on the Park and Pheasant Run Golf Club.

Summit on the Park Software Updates
Summit staff has taken initial steps to implement KidCheck software to allow for easier parent check in and operations at Kids’ Corner. In addition, staff is exploring options for Room Rental software to better diagram room rental floor plans for efficient reservations and room set up.

CivicRec Software Implementation
This year major progress was achieved on the implementation of CivicRec, an improved recreation software for registration and park reservations. The new software will enable management of registrations, reservations, reports, camps, leagues, and more. Users will be able execute online registrations, rentals and payments from any web-enabled device. Final software launch is scheduled for summer 2019.

Pheasant Run Golf Club Point-Of-Sale System
Staff implemented Club Prophet Systems fully integrated golf course software. This software provides the best options in golf point-of-sale (POS) systems, mobile applications, tee time scheduling software, integrated credit card processing, reporting, merchandise and inventory management, and much more. This system also allows for the use of I-pads to improve on-course experiences for guests. Pheasant Run staff can now sell products/services items using a touch screen or scan a barcode and inventory is updated in real time. This software will also improve sales analytics and target marketing.

Meet the Diverse Expectations of the Community

Cls Inclusion Task Force
The resident-driven CLS Inclusion Task Force was developed to gain insight and feedback, and to address potential existing barriers or gaps in service. Quarterly meetings help keep the group focused on issues and trends important to Canton’s diverse residents.

KultureCity Sensory Inclusive Certification
Canton Leisure Services initiated the process to become the first Sensory Inclusive Certified parks and recreation department in the country, joining the ranks of professional sports venues like Little Caesar’s Arena and Comerica Park. Sensory Inclusion Certification includes specialized staff training, facility signage, and making unique sensory resources available at programs and facilities across the department. CLS frontline staff will be better prepared to create outstanding guest experiences for individuals with special sensory needs or accommodations. The full-program rollout is anticipated to debut in early Spring of 2019.

Crisis Prevention Intervention Instructor Certification
Canton Leisure Services certified a second full-time staff member as a Crisis Prevention Intervention (CPI) Instructor. Staff instructors train and certify front-line staff in professional de-escalation strategies and important safety techniques that are also used in schools, hospitals, and police departments nationwide. Therapeutic Recreation, Summer Camp, and Teen Center Staff report using these skills regularly. Annual trainings contribute to significantly lower serious behavior issues within these programs. Additionally, having certified instructors on staff saves the department thousands of dollars every year in potential external training expenses.

The Village Theater at Cherry Hill Offerings
Partner groups at The Village Theater continue to see growth and development as new members regularly join these dedicated groups, including: the BeckRidge Chorale, Canton Concert Band, Michigan Philharmonic, Partnership for the Arts & Humanities, Spotlight on Youth, Spotlight Players and TLC Productions. This renewed vitality has shown an increase in audience ticket sales that has resulted in an increase in revenue for the groups.

Improve Financial Sustainability

Grants and Sponsorship Support
The Recreation Division secured $210,000 in grants and donations for programming and scholarships in 2018. The money was secured through CDBG funding, Community Financial Summer of Sharing, Masco Corporation, Healthy Recreation Catalyst Grant, Detroit Wayne County Mental Health, Fasting 5K proceeds, Chicks for Charity Trivia Fundraiser proceeds, etc., all helping to benefit Tuesdays are Terrific Concert Series, the B.L.O.C.K. Youth and Teen Center (Lead #LikeAGirl, Be A #ModelMan, Canton Youth Connection, Teen Xperience), Therapeutic Recreation (scholarships, supplies, and camp), youth employment wages, and the proposed Heritage Park Story Trail. An additional $19,729.51 in Special Event Sponsorships were secured through: Easter Events, Concert Series, Liberty Fest, Farmers Market, Trick or Treat Parade and Tree Lighting. In total, more than 30 Canton-Area businesses supported Leisure Services through sponsorships or in-kind donations in 2018.

Summit on the Park Memberships
Over $1,280,000 in membership sales were earned in 2018, which exceeded the approved budget by over $150,000. An increase of 32 memberships were sold compared to 2017, and resulted in 13,066 more member visits. Our yearly total of facility visits by members and guests was over 571,000. The Liberty Fest Membership special saw an increase of 16% with 1,100 sold in 2017.

Fellows Creek Golf Club
Outings continued to be popular with 66 outings held hosting a total of 4,186 golfers, which generated $225,000 in revenue. By comparison Fellows Creek had 67 outings in 2017 with 3,947 golfers and $213,500 in revenue. 2018 resulted in a 6% increase in golfers and 5.4% increase in revenue.

Pheasant Run Golf Club
This 27-hole Championship golf course had an active season with 38,096 rounds. Green fee revenue also increased by 6.47% and Food and Beverage revenues increased by 5.3% over prior five-year average. In addition, five new golf leagues were added and increased golf league revenue by 29% in 2018.
ENHANCED MARKETING

SOCIAL MEDIA PRESENCE
Leisure Services expanded its use of social media marketing tools to promote core services and programs. Our social media presence was amplified to include over 26,000 Facebook likes to 11 of Leisure Services Facebook pages. These tools continue to significantly assist staff with informing residents and visitors about key programs, events, services, and facilities in a cost-effective manner.

WEBSITE TRAFFIC
Staff maintained an effective website to meet the needs of a diverse populations. Staff continued to increase community engagement with dynamic web updates that increased traffic to main Leisure Services websites resulting in over 55,000 unique visits to www.summitonthepeak.org, over 33,000 unique visits to www.cantonlibertyfest.com; and over 25,000 unique visits to www.cantonfun.org.

MEDIA RELATIONS
Canton Leisure Services continued to have successful media coverage that resulted in: in-depth newspaper articles in the Canton Observer and The Eagle, online digital profiles in the Patch.com, featured articles in seasonal publications such as Canton TODAY, radio interviews on 97.1 The Ticket and 88.1 FM, and TV news stories and reports on WDIV. This positive media coverage continues to position Leisure Services as a leader in the Parks and Recreation industry.

CABLE PRODUCTIONS
Canton’s Cable Division continued to produce numerous promotional videos and public service announcements. Successful productions included staff recruitment videos for multiple department areas and positions to help job seekers better understand job requirements and daily duties. In addition to external promotions, several internal instructional videos were also produced to assist staff in a variety of categories, including generating procurement card reports.

KEY PROGRAM PROMOTION RESULTS
Effective target marketing saw a significant increase in several key programs, including: BLOCK Youth & Teen Center Afterschool memberships had 10,508 visits this year, as well as 92 participants on the waitlist for this program and the summer camp; the BLOCK’s outreach visits doubled in 2018 to 623 off-site visits; 15 new Therapeutic Recreation participants were recruited in 2018; and Leisure Services Scouting program attendance has grown for 295 in 2017 to 524 in 2018.

INFRASTRUCTURE CAPITAL IMPROVEMENTS
Canton strives to provide clean, safe, and enjoyable amenities and facilities that improve the resident and visitor experience. As we continue to plan for the future needs of our residents, Leisure Services focuses on enhancing, renovating and replace aging infrastructure to best meet the needs of our community.

2018 PROJECTS INCLUDED:
• Canton Sports Center Field Improvements & Five Outfield Light Poles Replaced
• Facility Services Americans with Disabilities Act Upgrades
• Pavement Replaced at the Summit on the Park & Administration Building
• Club 55+ Renovation
• Amphitheater Column Replacement
• Pond Bank Stabilization at the Summit on the Park & Pheasant Run Golf Club
